HAMBURG

PROFILE

I am creative and have a good feeling for shapes, colors and sounds. Coding structures is like painting pictures and composing music.

EDUCATION

Fullstack-Webdevelopment 2021-2022

DCI - Digital Career Institute

In a one-year intensive course, I was instructed and trained in using Visual Studio Code, HTML, CSS, SASS, JavaScript, Bootstrap, MongoDB, Express, React, NodeJS, Soft Skills and Business English.

Graphic/Design 1992-1994

PAW - Private Akademie für Wirtschaftsseminare Hamburg

PROGRAMMING EXPERIENCE

- *By dealing with the development of my own projects and school assignments on a daily basis, my wealth of experience in full-stack web development is expanded and consolidated.*

SUCCESSES

- A total of five DVDs were produced between 2007 and 2011, which we successfully offered through an online shop my partner was programming.
